By renting the Tasting Room or the town square or both, you automatically have the Graanrepubliek exclusively at your disposal. As all spaces are interconnected, these spaces cannot be rented side by side.

When renting the Graanrepubliek exclusively, we assume a minimum spend of 3,000.00 excluding VAT and hiring third parties. In the event that your expenditure is lower, the amount to be invoiced will be supplemented by room rentals.

The general terms and conditions of Vermaat Partyservice apply. All prices quoted are exclusive of VAT.
